

Client Questionnaire - Chapter 2 Living™

As your coach, it is important for me to understand who you are, what you value and how you approach life. As such, I've developed this questionnaire with a variety of "pondering" type inquiries designed to promote exploration about what you really want out of life. Please set aside some time to thoroughly consider these questions and then email your responses to me prior to our initial session. (I'll also send you these questions via email if you'd like) Thanks!
